

## Happy 100th Anniversary SACI (1921-2021)

Every 25 years; SACI has traditionally published a hard copy journal, loaded with black and white photos, to commemorate each quarter century we shared together. In this new age of high tech and digital graphics, we have an opportunity to share high-definition photos in color over the internet - so that is what we will do to commemorate 100 years of SACI. We will also be publishing expanded commemorative issues of the SACI Slants Volume 60 during this year. Lots of pictures. Lots of memories. Volume 60 Issue 1 will be the first focusing on our recent history of Annual Business Meetings. We will be publishing 4 issues in total, each focusing on a different segment of SACI events. These issues will include photos not included on our website

and not published in prior newsletters. Our new website photo galleries, along with the full set of newsletters

we dug out of our archive, constitutes our 100th Anniversary online Journal - [www.sacionline.org](http://www.sacionline.org). ENJOY!!

## SACI's New Website is Up and Running

As you all know, SACI has been working on the development of a new and more modern website that carries with it more graphics and will provide a centennial reflection of the history of SACI. Every 25 years, SACI has made it a practice of publishing a commemorative journal depicting highlights. Our new legacy site is up and running and not only will it focus on the last 25 years, but we hope to add

more photos over time that will harken back to the earliest days of SACI. That gallery still needs to be loaded, but the most recent photos are already there for you to enjoy. Please change your favorites link to [www.sacionline.org](http://www.sacionline.org). The old .com site will be around for a little while longer, but

eventually there will only be .org so please make the changes now.
